

Bag a Book!

We are asking parents to please donate any unwanted books for any age children.

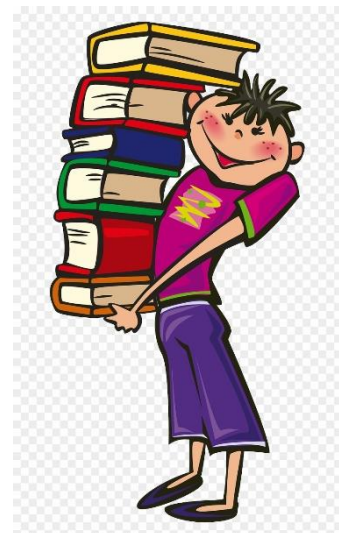

These will go into a class collection from which your child can choose a free book.

Unlike a library book, this belongs to your child. When children want a new book, they simply bring the old one back and swap it.

These books will be labelled with **Bag a Book!** stickers, to distinguish them from other school books.

Thank you!

This year
Camestone are
working hard on
promoting
reading.

Owning books is
shown to be
very important
in developing
strong readers.
