

Camestone School Newsletter No. 12

Wednesday 11th March 2020

This year, in association with Sport Relief, we are asking the children to come to school on Friday 13th March dressed in any kit that they do a physical activity in eg. Football, dance, martial arts. We are asking the children for a £1 donation which will go directly to Sport Relief to help with on-going issues of homelessness, combating mental health and fighting fear, violence and discrimination.

The children will take part in various activities throughout the day.

Coronavirus

Please be assured that we are receiving daily updates from Public Health England regarding Coronavirus. Children are being reminded of how to stop the virus spreading. Catch it, Bin it, and Kill it by washing hands with soap and water when they arrive in school, after breaks and sports activities, before eating and after using the toilet. Please see the link below for advice.

The Mind Map

A huge thank you to all the parents came to the Mind Map presentation on Wednesday 4th March.

Natalie, who presented the evening, was "beyond impressed" with both the turn out and the contributions! We are very proud to have made such a good impression.

Most importantly, we believe the programme we are working on will make a difference to the emotional well-being of our children. In turn, this impacts their readiness and capacity to learn. Your partnership in this is really important.

Several parents who could not attend have expressed an interest. We plan to run a repeat presentation, during the school day, in the near future and will keep you informed. In the meantime, the letter attached to the previous invitation has some basic information about the programme.
