

Our Values for this half term are:

Happiness

Healthy, well-being, Feelings

Tuesday 15th May 2018

Newsletter No. 16

Dear Parents and Carers

Bicycle and Scooter Storage

With the improvement in the weather and after the successful bikeability courses it is lovely to see an increase in the number of pupils travelling to school on their bike or scooter.

Please could I take this opportunity to remind you of the following:

- We have two Bicycle storage racks, one near the front entrance to the school, the other is outside the year 5 classrooms.
- Please ensure that your child's bikes and scooters are locked and be aware that you may use the bicycle racks at your own risk, the school will not accept responsibility for damage, accident or loss.

Walk to School Week – 21st to 25th May 2018

It's Walk to School Week 2018 – and we are taking part!

We are delighted to tell you that we are taking part in Living Streets' Walk to School Week (21-25 May)! This year's five-day walking challenge for the week, Walking Roots, will take your children on an exploration of a tree's ecosystem and will provide them with fun, educational activities that they can complete with you on their walk to or from school.

At the end of the week, they'll be rewarded with a packet of Living Streets' sunflower seeds to grow and nourish at home. We'd love for all our parents and carers to get involved because walking to school isn't only fun it's healthy too!

We will be handing out the activity diaries on Friday 18th May and there is also plenty of information about how you can also get involved, enter a prize draw and support Living Streets' National Walking Month. For more information on Living Streets, the UK charity for everyday walking visit www.livingstreets.org.uk

Staffing News

Mrs Plant will leave us at the end of the Summer Term. We would like to congratulate Mrs Plant on her new teaching appointment and wish her well in this next step in her career.

Yours sincerely,

Mr P Stanyard
Head Teacher
